May 2006

**General Letter GL-06-015**

**To:** **Dealer Principals and Service Managers**

**Subject:** **Changes to Warranty Parts Handling Allowances and Labour Rates**

---

We wish to advise that following a detailed review of the industry situation, Mitsubishi Motors policy in respect warranty parts handling allowances and warranty labour rate calculations will be revised as follows:

1. The transient parts handling allowance will be eliminated.
2. The claims standard warranty parts handling allowance will be increased from 25% to 26%
3. The parts handling allowance $ value cap will increase to $80.00 per part.
4. The warranty labour rate formula will be increased to Prime Labour Rate (PLR) x 3.5

These changes (summarised below) will be effective with claims submitted with a repair date on or after June 14th 2006.

| | Current | | New | |
|---|---|---|---|---|
| | % | Cap | % | Cap |
| Normal | 25 | 75 | 26 | 80 |
| Transient | 40 | 95 | Eliminated | |
| Labour rate factor | 3.29 | | 3.5 | |

Dealers do not need to take any action in respect to the labour rate factor change as MMAL will calculate a new Warranty Labour Rate based on the currently applied labour rate and will notify Dealers in writing of their new rate prior to June 9th.

Dealers are requested to defer any submissions for labour rate change from receipt of this correspondence until after June 14th.

Should you have any questions or concerns regarding this policy change, please direct them to the undersigned in the first instance.

Yours sincerely,
Mitsubishi Motors Australia Limited

D. R. Budden
National Service Manager
