General Letter GL-06-018

To: **Service Managers (cc Dealer Principals)**

Subject: **Warranty Claim Procedures – Manufacturers Extended Warranties**

We advise that effective June 14th, all warranty claims (i.e. repairs conducted during either the New Vehicle Warranty period or the Extended Warranty period) on vehicles covered by any Swann Extended Manufacturers Warranty marketed by MMAL (including sales campaigns and direct offers such as the "Warranty Plus" program) must be submitted via the MMAL warranty claim system.

Vehicles covered by these warranties are identified by a warranty index which includes the letter "E", eg. L36**E**97.

Normal SCA requirements will now apply for these claims with the only variation being that the repair value limit above which authorisation is required is **reduced from $2,500** (for vehicles in the New Vehicle Warranty period) **to $1250** (for vehicles in the Extended Warranty period).

Please note that these changes do not apply to warranties sold by Dealers. Claims relating to those warranties will continue to be processed by Swann in accordance with their policies and requirements.

Your assistance in communicating this information to all relevant staff is appreciated.

Yours sincerely,
Mitsubishi Motors Australia Limited
