General Letter GL-07-022

To: **Dealer Principals, Service Manager, Sales Managers, (cc Parts Managers)**

Subject: **Introduction of "Diamond Advantage pre-owned vehicles Warranty"**

In an effort to better promote and improve the residual value of our ex MMAL used vehicles, MMAL has launched the "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicle" program.

Effective 1 August 2007, all ex MMAL vehicles sold at auction or purchased via cyberlot are entitled to be promoted under the DIAMOND ADVANTAGE banner. This is a permanent program and is fully funded by MMAL to provide dealers with a unique Used Car promotional opportunity. "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicles" provides the customer with a number of tangible advantages and benefits not found on competitor vehicles. These benefits will ensure that a used car buyer is provided with the same Factory back up and customer care support package as a new Mitsubishi vehicle buyer.

To facilitate the warranty and roadside assistance extensions, the dealership **MUST** update the vehicle RDA with the new owner details. To do this the dealer can access the "Diamond Advantage RDA" update screens from the main menu page on Deacon. This process will automatically trigger the commencement of all the extension programs.

Failure to update the details correctly will render the vehicle ineligible for the "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicle" program, so it is critical that dealers establish an on-going process to update this information when all ex MMAL used vehicles are on-sold.

Vehicles that are over 120 days old from the date of wholesale or auction purchase will not be eligible to be sold as a "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicle" and will not qualify for the warranty or roadside assistance extensions.

110 POINT SAFETY CHECK

To provide the customer with added peace of mind we ask that the dealers prepare a 110-point safety checklist for all Diamond Advantage pre-owned vehicles. Standard forms for this check have been distributed to dealers and additional forms are available from LAMP.

WARRANTY

A "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicle" comes with an addition to the original warranties as described in the Service & Warranty Book supplied with each vehicle. In addition, "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicles" are provided with a 5 year warranty from the date of resale to a retail customer limited to the balance of 130,000km. "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicle" warranty is fully transferable.

Please note: The information contained in this document is CONFIDENTIAL and intended for Mitsubishi Dealer use only. It must not be provided to third parties.

The conditions of this warranty are described in a "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicle" Warranty Certificate which must be completed by the Dealer and inserted into the original Service & Warranty Book. Additionally, Dealers MUST affix a "Special Warranty Conditions Apply" sticker to the front of the Service & Warranty Book. The sticker and insert will be used by Dealers to validate the warranty if a claim is made.

Stickers and Warranty Certificate inserts have been supplied to Dealers in small quantities with the regular Warranty mail out associated with the warranty payment run on the 18th September, 2007. Additional supplies of the relevant Diamond Advantage warranty materials are available through the LAMP website.
Part numbers and descriptions' are listed below.
Diamond Advantage Warranty Certificate, Pack of 10, LAMP code: DAWcert
Special Warranty Sticker, Pack of 10, LAMP code: DAWstic

The MMAL warranty systems will also be able to recognise a "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicle" by the Warranty Index that will be updated when vehicles are RDA'd as described above.

Two warranty indexes have been used to identify "Mitsubishi **DIAMOND ADVANTAGE** Pre-Owned Vehicles" as detailed below:

L60DA1	ex MMAL owned, Renta-Car
L60DA2	ex MMAL owned, executive driven

Vehicles identified as "ex MMAL owned, executive driven" with a warranty index of L60DA2, will still be eligible for the balance of the Powertrain Warranty as described in the Service and Warranty book once the Diamond Advantage pre-owned vehicle warranty has expired provided that the conditions described in the Service and Warranty book are met eg Original Owner.

NOTE: Original Owner is defined as the first retail customer after MMAL for ex MMAL owned, executive driven.

Some Examples:

1. A vehicle is RDA'd by MMAL on 24th July 2006 and resold by a Dealer to John Smith on 12th September 2007 (14 months old) at 18,234km and is identified as ex MMAL owned, executive driven. It is provided with a warranty index of L60DA2.

   Bumper to Bumper Warranty now extends to 11th September 2012 (60 months + 14 months = 74 months) or 130,000km, whichever occurs first.
   Drivetrain Warranty provides additional cover until 23rd July 2016 (120 months) or 160,000 km, whichever occurs first for the original owner only. John Smith is the original owner in this case.

2. A vehicle is RDA'd by MMAL on 24th July 2006 and resold by a Dealer to John Smith on 12th September 2008 (26 months old) at 58,234km and is identified as ex MMAL owned, Renta-Car. It is provided with a warranty index of L60DA1.

   Bumper to Bumper Warranty now extends to 11th September 2013 (60 months + 26 months = 86 months) or 130,000km, whichever occurs first.
   Drivetrain Warranty does not apply as John Smith is not considered the original owner.

3. A vehicle is RDA'd by MMAL on 24th July 2006 and resold by a Dealer to John Smith on 12th September 2007 (14 months old) at 18,234km and is identified as ex MMAL owned, executive driven. It is provided with a warranty index of L60DA2. John Smith resells the vehicle to Jennifer Jones on 14th March 2010 at 98,632km.

   Bumper to Bumper Warranty now extends to 11th September 2012 (60 months + 14 months = 74 months) or 130,000km, whichever occurs first.
   Drivetrain Warranty does not apply as Jennifer Jones is not considered the original owner.

ROADSIDE ASSISTANCE

In conjunction with Assist Australia and the State Motoring Associations, a 24 hour roadside assistance is provided for 60 months or the balance of 130,000 km whichever occurs first.

Dealers should remove the existing Diamond Roadside Assist book and window sticker, and replace them with a new book and sticker

The new book should have the relevant details completed in the Vehicle Details page, including the new RDA date as the "First Registration Date" and completing the statement "…..the year ending_____" with the year five years from the new RDA date.

A new Roadside Assist sticker should be affixed to the windscreen as per the procedure described in Marketing Bulletin MB834.

Part numbers of the relevant Roadside Assistance materials are listed below and are available through the normal Dealership Parts Ordering process.
Black Stickers for Standard Roadside Assistance (part # RSA00004)
Gold Border Stickers for Premium Roadside Assistance (part # RSA00005)
Diamond Roadside Assist Book (part # RSA 00006)
