General Letter GL-11-015

To: **Dealer Principals and Service Managers**

Subject: **Service and Warranty Book Revision**

This correspondence is to advise of changes to the Customer Delivery Procedure page in the Service and Warranty Book provided with 12 MY vehicles.

The page has been revised as follows:

1. A carbon copy, tear out page has been added to eliminate the requirement for Dealers to copy the page to attach to the Vehicle Deal Pack.
2. A VIN record section has been added.
3. A section has been added to enable details of non-approved equipment or accessories and/or non-approved modifications.

Copies of the previous (up to 12MY) and revised page (12MY onwards) are attached for reference/comparison.

In conjunction with this change, the Vehicle Handover Report (PAM441) has been revised to remove items duplicated in the Customer Delivery Procedure including the customer signature section. The customer signature is now only required on the Customer Delivery Procedure page in the Service and Warranty Book.

The revised Vehicle Handover Report can be downloaded from LAMP (Point of sale/Aftersales/Genuine Service and Roadside Assist)

Please ensure that all relevant staff are advised of these changes.

Yours sincerely,
Mitsubishi Motors Australia Limited
