General Letter GL-11-016

To: **Dealer Principals and Service Managers**

Subject: **Labour Rate Maintenance**

It has come to our attention that a significant number of Dealers have not updated their warranty labour rate and/or notified MMAL of their current retail labour rate within the last 18 months.

We request that Dealers who are/may be in this category:

1. Review Sections 4.3 and 4.4 of the Service Procedure Manual which outline MMAL requirements in regard to labour rate maintenance.
   Note: The Service Procedure Manual is located on the Dealer Extranet under the tab named 'Additional Dealer Services' and under the heading 'MMAL Franchise Agreement Manuals'
2. Check the labour rates currently recorded in MMAL's system for your Dealer code in the "Warranty Resubs" facility (select Labour then labour Rate Maintenance).
3. If either the warranty or retail rate is not current, prepare and submit the required documentation in accordance with the applicable procedure detailed in the Service Procedure Manual.

Your attention to this matter is anticipated and appreciated.

Yours sincerely,
Mitsubishi Motors Australia Limited
