December 2011

General Letter GL-11-029a

To: **Service Managers (cc Dealer Principals)**

Subject: **Warranty Statements – Prescribed Wording Requirement**

In July this year, the Federal Government introduced legislation under the Australian Consumer Law that requires prescribed wording relating to consumer guarantees to be included in manufacturer warranty statements for all products delivered to customers on or after 1 January 2012.

To conform to the requirements of the legislation, the warranty statements and related information included in the MMAL Service and Warranty booklets have been revised and the new Service and Warranty booklets are being installed at Port of Entry as a running change in November 2011.

In addition to part number changes, the cover design of the books has been revised to facilitate identification (refer page 2 of this correspondence).

An initial quantity of Service and Warranty booklets will be provided to Dealers based on current unsold vehicle stock numbers. To order additional quantities:

1. Scan and complete the attached form.
2. Email the completed form to label.requests@mmal.com.au

Dealer Action Required

1. Check all vehicles in Dealer stock and replace old Service and Warranty booklets with revised booklets supplied by MMAL.
2. Destroy all old booklets immediately after replacement.
3. Implement a process to confirm that a compliant booklet is provided with all vehicles delivered to customers on or after 1 January 2012.
4. Sign the attached “Acknowledgement of Revised Warranty Statement Requirements” form and return to MMAL either by fax or email to:

Your assistance in this matter is anticipated and appreciated.

Yours sincerely,
Mitsubishi Motors Australia Limited
