General Letter GL–13-016

To: ***Service Managers (cc Dealer Principals)***

Subject ***Subject: Warranty and CPS Claim Submission Period Policy***

Since SAP was implemented in April 2012, MMAL has adopted a lenient approach in regard to the application of claim submission period policy for both warranty and CPS claims however effective immediately; we will be strictly applying the policy as follows:

"Warranty service and CPS claims must be submitted and logged in SAP with a SAP claim number in accordance with the claim submission period as stated below:

Warranty claims -	within 14 days of the last clocking date
CPS claims –	within 30 days of the last clocking date
Recall and Service Campaign claims -	within 30 days of the last clocking date

Submission of claims after the claim submission period may be considered in exceptional circumstances however in this event, MMAL reserves the right to:

1. Apply a $30.00 per claim administration fee for warranty and CPS claims
2. Reimburse the Franchisee the parts cost only for warranty claims

To request consideration of exceptional circumstances, the Franchisee must submit a written explanation to the Regional Aftersales Manager or Senior Parts and Service Manager (as applicable) detailing the exceptional circumstances.

Claims and SCA's should not be submitted until the franchisee has been advised to do so by the Regional representative."

Please ensure that all staff involved in submitting and finalising warranty and CPS claims are fully aware of these requirements and the processes involved in submitting and confirming that the claims have been received at MMAL by checking the claim log in the SAP portal on a regular basis (ideally daily but every 2 – 3 days as a maximum).

The policy detailed in this General Letter supersedes the Service Procedure Manual policy (section 20.1) which will be updated and re-issued to reflect these changes.

Yours sincerely,
