General Letter GL–13-017

To: ***Service Managers (cc Dealer Principals)***

Subject **PSM Warranty Claim Reviews**

This is to notify Dealers that effective from August 2013 warranty claim reviews will be carried out by the Dealers assigned Parts and Service Manager (PSM) during scheduled Dealer visits. This will assist Dealers in ensuring that their warranty claim preparation, submission processes are efficient and compliant with MMAL policies / requirements, and to identify areas where there are opportunities for Dealer process improvement,

The review will involve assessing approved warranty claims against the criteria listed on the attached work sheet.
Each criterion has a weighting assigned as follows:

0	Observation
1	Deficiency
2	Non compliance
3	Insufficient evidence or manipulated non compliance

In the event that weighting 2 or 3 items are identified, these will be referred to MMAL Warranty Administration for further review and adjustment or reversal of the claim as appropriate.
Dealers will be notified in advance by their PSM of when a review will be carried out and which claims will be subject to review and Dealers will be required to:

1) Ensure that repair orders, invoices and all related documentation are prepared for review prior to the PSM visit.
2) The Dealer staff responsible for claim preparation are available on the day to answer any questions arising from the review.

Your cooperation in ensuring that all relevant staff are notified is anticipated and appreciated.

Yours sincerely,
Mitsubishi Motors Australia Limited
