General Letter GL–13-023

To: ***Service Managers (cc Dealer Principals)***

Subject **Component Exchange Programme (Transmissions)**

Component Exchange Program (Transmission) is terminated 29th July 2015
Refer to General Letter GL-15-020

The purpose of this letter is to inform dealers that exchange transmissions are not to be used for warranty repairs on vehicles which are less than 36 months old and have travelled less than 100,000 kilometres.

As with all warranty claims the most economic method should be used to repair the transmission.

Vehicles outside of these criteria can still use the scheme as before.

Yours sincerely,
Mitsubishi Motors Australia Limited
