General Letter GL–13-026

To: ***Service Managers (cc Dealer Principals)***

Subject **Out of Warranty Goodwill Requests**

We would like to take the opportunity to remind Dealers that out-of-warranty goodwill relates to vehicles or parts that have exceeded the original manufacturer's warranty or genuine parts warranty and accordingly any repair should be considered customer responsibility until a decision is made otherwise.

The only person who can authorise the repairs to proceed under these circumstances is the vehicle owner/operator.

When determining whether to submit a request for goodwill, you should consider and answer the following questions:

- Is it possible that the current or previous owner has contributed to the current condition?
- Has the vehicle been maintained in accordance with Mitsubishi Motors recommendations?
- Will a decision to contribute to the cost of repair promote ongoing business or a repeat sale?
- Is the vehicle covered by a 3rd party extended warranty that should cover the cost of repair?
- Is the condition likely to affect the durability of the vehicle in the longer term?
- **How much is the Dealership prepared to commit to assisting the customer?**

Note: It is expected that in all cases, an appropriate Dealer and customer contribution will be determined by the Dealer to ensure an equitable distribution of repair cost BEFORE the request is submitted.

In the event that the Dealer believes that MMAL should give consideration to contributing to the repair cost, submit a Goodwill Request in accordance with the guidelines provided in the Create and Submit Goodwill Request BPP available in the SAP Portal (refer Quick Reference QR 16) paying particular attention to the following:

1. **Owner name**
   Press enter while the cursor is in the VIN field to populate owner details (refer step 8 in the BPP).
   If the current owner is not the owner displayed, cancel the request and update the owner details in CRM then start again (refer to the BPP – Customer and Vehicle Relationship Maintenance – Knowledge/Admin/Manuals and Procedures).

Please note:
1: The information contained in this document is CONFIDENTIAL and intended for Mitsubishi Dealer use only. It must not be provided to third parties. 2: This General Letter forms part of the Service Procedure Manual

2. Pricing

1) All pricing should be calculated at warranty rate – warranty parts price, warranty labour rate, sublet ex GST etc.
2) Enter the Total repair cost in the Total column irrespective of Dealer and Customer contribution as MMAL contribution ratio will be calculated based on the total amount.
3) Enter the proposed Dealer and customer contribution in the appropriate fields.

3. **Attachments**

Ensure that all relevant documents that will assist in the decision making process are attached to the request. This includes (but is not limited to):

1) Paint and trim items – photos of the customer concern (wide angle and close up to clearly show the concern).
2) Concern reported in warranty – a copy of the front and back of the RO (or other documents that confirm the concern was reported in warranty).
3) Sublet repairs – a copy of the sublet quote with all relevant details.

4. Notes

1) Owner Concern and Details of Repair

   Enter details of the complaint, cause and corrective action required in this field

2) Why should MMAL contribute?

   Provide justification in relation to why MMAL should consider a contribution to repair cost (noting that “Hotline Fix issued” or “known concern” is not acceptable).

3) Dealer Contribution

   If the Dealer is not prepared to contribute to the repair cost, use this section to advise MMAL why this is the case.

4) Dealer Comment

   Use this field for any additional comments that the Dealer considers will assist MMAL in making an appropriate decision.

Your cooperation in ensuring that all relevant staff are aware of these guidelines and requirements is anticipated and appreciated particularly as Goodwill Requests received on or after November 1st that do not comply will be rejected.

Yours sincerely,
Mitsubishi Motors Australia Limited

D. R. Budden

Head of National Service
