General Letter GL–15-020

To: ***Service Managers (cc Dealer Principals and Parts Managers)***

Subject **Termination of the Component Exchange Programme (Transmissions)**

MMAL is terminating the Component Exchange Programme for transmissions as of today, the 29th July 2015.

When a repair process justifies replacement of the complete transmission, please order a new genuine transmission instead of the exchange unit.

Note: As with all warranty claims the most economic method should be considered when determining the most appropriate repair process.

Note: General Letter GL–13-023 advising when to use component exchange transmissions in warranty is now cancelled.

Your understanding would be greatly appreciated.

Yours sincerely,
Mitsubishi Motors Australia Limited

Yoshi Tatewaki
Manager, Field Service.
