***Subject*** **Service Manager Incentive Award – Tokyo Motor Show**

This General Letter is being issued to advise Dealers of requirements for the Service Manager's Incentive Award for the measurement of the first half results for 2015JFY.

As per GL-15-013, MMAL will be awarding the 2 top performing Service Managers from each Region with the opportunity to visit Japan in November 2015 for the Tokyo Motor Show. Full details and itinerary of the award trip will be advised to the 10 successful Service Managers (Nationally) in due course.

As timing will be extremely tight and to ensure Dealers are eligible for the Tokyo Motor Show Award:

- Regional Staff will be collecting and collating Retail Repair Order Results (Retail RO Count) for September (by phone or email) on 1st October 2015**.
- Dealers will also need to submit all CPS Claims for 15,000km Services (CPS Retention) by COB on 30th September 2015.

The 20% Warranty Labour Rate Incentive results will be published during October 2015.

Remember - the more Retail Repair Orders carried out by the Dealer, the greater the chances of winning.

** Please note that results will be audited during PSM visits and if any Dealer has been awarded an incentive based on misleading information, MMAL reserves the right to charge back the full amount of any incentive involved.

Good Luck all!

Yours sincerely,
Mitsubishi Motors Australia Limited
