General Letter GL-16-021

To: ***Foreman (cc Dealer Principals, Service Managers,)***

Subject ***Foreman's Incentive Award - Japan Trip 2017.***

This General Letter is being issued to Dealer Foreman to advise on the details and requirements of the Foreman's incentive award trip to Japan in May 2017 which will be based on the highest scoring Dealer Foreman from each region.

Please note that the exact same details and requirements are applied for the announced 20% Warranty Labour Rate Incentive for your dealer There is a separate addition to the judging criteria which is a questionnaire to test knowledge in regards to Service Bulletins, Hotline Fixes, General letters etc. This is not included in the 20% Warranty Labour Rate Incentive for your dealer.

To be eligible for this award, Dealer Foreman must meet the mandatory criteria outlined and detailed below. The incentive award will run from 1st of June until the 31st of March 2017.

Judgement criteria including points structure for the foreman's incentive award is as follows.

1. Foreman's Meetings:

1) Attendance…..50 Points per meeting.
2) Pre-Submission Report….. 1 point per case with clearly identified details such as, Vehicle type, Subject, Description or current status details, Reporting Dealer, VIN, KMS and TSR / DQR number if applicable.

2. TSR:

1) TSR scoring will based upon on a demerit system with demerits as follows based upon the case type submitted.

   A Type….0 Demerits Points.
   B Type….Minus -3 Demerit Points
   C Type….Minus -10 Points
   W Type…Minus -15 Points

Additional TSR Information:

1) All TSR communication will be returned to Dealers via email with the score of (A, B, C, or W) in the subject line for Dealer reference.
2) All TSR communication will be returned to the submitter and a copy (cc) issued to all persons registered in the list for your Dealership.
3) If the contact person changes at the Dealer, please contact MMAL through the region to advise of this change. Any further clarification on the definition of case types is needed; contact Your Assigned MMAL Regional Service Development Manager.

3. DQR:

1) DQR points awarded will be based upon eight criteria and this will involve accurately explaining the details as follows

    1) Basic information
    2) Customer complaint
    3) Condition of failure
    4) History of vehicle
    5) Confirmation of complaint
    6) Investigation result
    7) Photo/driving record data
    8) Action / result

Additional DQR Information:

a) DQR points will be awarded in the following manner for meeting the above criteria.

7-8 criteria	5 Points
6 criteria	2 Points
5 or less criteria	0 Points

(For example, 7 out of 8 criteria is acceptable to score 5 points as some quality problems may not be applicable to be captured with a photo or drive record data).

b) DQR's must be submitted to MMAL within 5 Days of "Date of Problem". "Date of Problem" is the date of repair as per the Warranty Procedures Manual (last clocked date)

c) DQR's being submitted for points score are for quality concerns outside of the mandatory reporting guidelines as depicted in general letter number GL-16-013 and are in the first instance only. However, points may be awarded for items 1, 3, 4, and 5 in the mandatory items only. To advise of any intention for points scoring, please indicate this by adding **QQQ** to the subject line along with the **mandatory item number if applicable.**

d) MMAL may at any time request a copy of the R/O to verify what is being reported in the DQR for audit purposes. If any discrepancy is found, 30 demerit points will be deducted.

4. **Quarterly Questionnaire:**

a) MMAL will release a questionnaire quarterly that will ask questions based upon Technical documents released in that quarter such as service bulletins, hotline fixes, General letters etc. This will be conducted via survey monkey with a link provided at that time of release.

b) The survey will be open for two weeks and can only be completed once.

c) Points will be awarded based upon the number of correct answers, for example points available are shown in the table below
