To: ***Service Managers, Service Advisers (cc Dealer Principals)***

Subject **MMAL CPS update to Generic S & W Booklet AU900583.**

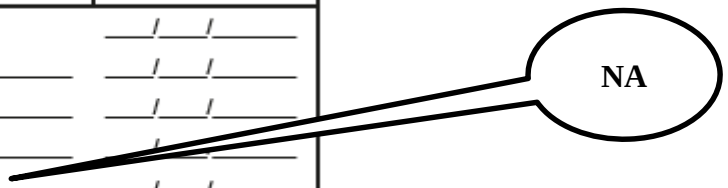

This General Letter is being issued to Dealers to advise of the Cap Price Service (CPS) change from four years to three and the effect on the Generic Service and Warranty Booklet (AU900583).

Due to the change in the CPS structure the Service and Warranty booklet may need to be amended to reflect the MMAL CPS Service Program Changes outlined in GL-16-056.

A new Generic S&W Booklet AU900625 (Jan 2017) has been produced to incorporate the changes but will not be available until late January 2017.

If your Dealership does not have stock of the new Service and Warranty Booklet AU900625, indicate **NA** at the 48mths OR 60,000km service on page 1 as indicated below until your new stock arrives. This page also requires a signature on the bottom, please make sure that this is signed.
