General Letter GL-17-06

To: ***Service Managers and Foreman (cc Dealer Principals)***

Subject ***Introduction of MUT 3 Getac F110 Tablet***

This General Letter is being issued to advise Dealers that Mitsubishi Motors Australia Limited (MMAL) will distribute a new MUT 3 F110 Tablet to replace the existing Panasonic Tough Book CF19 which now has an expired contract and warranty. The new F110 will have a new 5 year term with full support and a 5 year warranty.

In addition to this, MMAL is introducing a new support program called XMS (Extended Mobility Suite) which facilitates automatic updates of MUT 3, re-imaging and remote support. An active WI-FI connection will be required

The mandatory F110 Tablet listed below will be supplied to all Dealers (by Dealer code) by Bosch Automotive Solutions Australia in February 2017. Bosch will also facilitate the distribution of software and WSM's on-line with Dealers being automatically prompted to update their MUT 3 once the update is available via the XMS interface.

No	Name	Details	Price
1	Getac Tablet F110		$ 4,700* exc GST and Freight $35
2	XMS Program	Extended Mobility Suite	$800/Year* Charged at $400 each 6 months

Note: *The above price excludes GST and freight as depicted in the above table and MMAL will invoice each Dealership before the end of February 2017.

An initial order quantity of 1 unit will be allocated to each Dealer (by Dealer code). In addition to this information and attached to this General Letter, will be the option to purchase any additional units at a reduced price until the 31st of March 2017. The cost of any additional units will be $4100 exc GST and plus freight. To place any additional orders, dealers will need to print the order form and fax it back to Bosch.

Also you can contact Bosch for additional cables if required and MMAL for VCI lite using the details contained in the Dealer Support Information attached to this General Letter.

When the F110 Tablet is received at your Dealership you will find contained within the packaging a start-up guide and Dealer Support Information to familiarise yourself.

All manuals and guides for the F110 for your reference can be found by utilising the icon on the desk top of your tablet and this also contains the accessories guide.

Last of all, and in regards to the accessories guide for the Getac F110, there are items such as the option to purchase a keyboard which clips to the Tablet to convert it into a Lap top style device and additional hot swappable batteries and chargers for the batteries.
If any appeals to you, please contact Bosch for your order.

We sincerely thank you for your support in the roll out of this program.

Yours sincerely,
Mitsubishi Motors Australia Limited
