General Letter GL-18-037

To: **Service Managers and Foreman (cc Dealer Principals)**

Subject **Out of Warranty Requests (Goodwill) - Update**

This General Letter has been issued to provide an update and improvement in the processing of Goodwill requests.

In order to improve our Customer's experience, we have recently conducted a review of the Goodwill process, in particular improving the response time to an outcome.

As a result, we have added an additional resource with technical experience into our Customer Relations Team and are working closely with Field Service to review the more technical requests.

Please see attached flowchart of the new process – you will notice that we have set some timeframes around the process for both MMAL and the Network to ensure we are working collaboratively to meet the needs of our Customers.

The SCA guidelines GL-18-021 are also attached for you to familiarise yourself with requirements

If you have any queries please contact your Regional Representative in the first instance, or the MMAL Customer Relations team customer service@mmal.com.au

Yours sincerely
Mitsubishi Motors Australia Limited
