Directed – Mitsubishi Support Portal User Guide

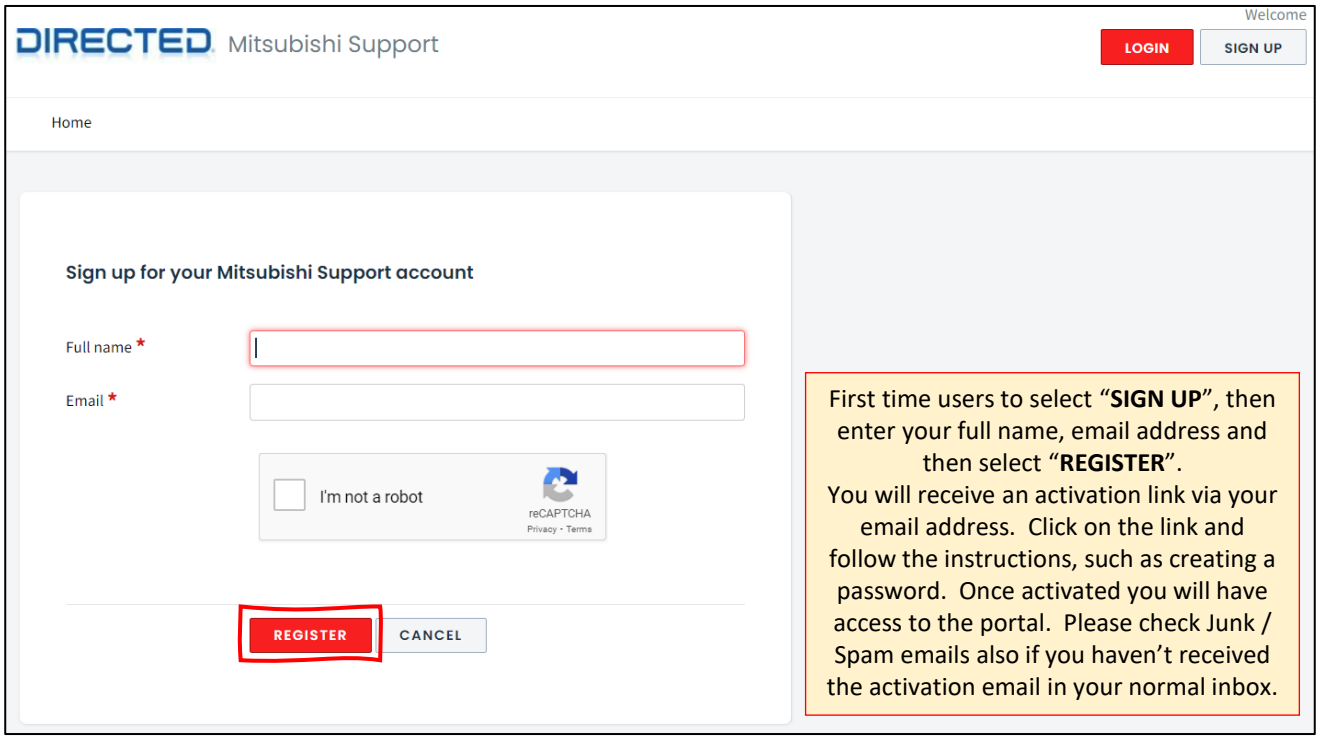

This portal is used to raise a support ticket in relation to Directed's audio head unit & associated products, for both Warranty or Non-Warranty requests.

Access via the following link
https://midisplay.directed.support/support/login

Initial Login & Account Setup

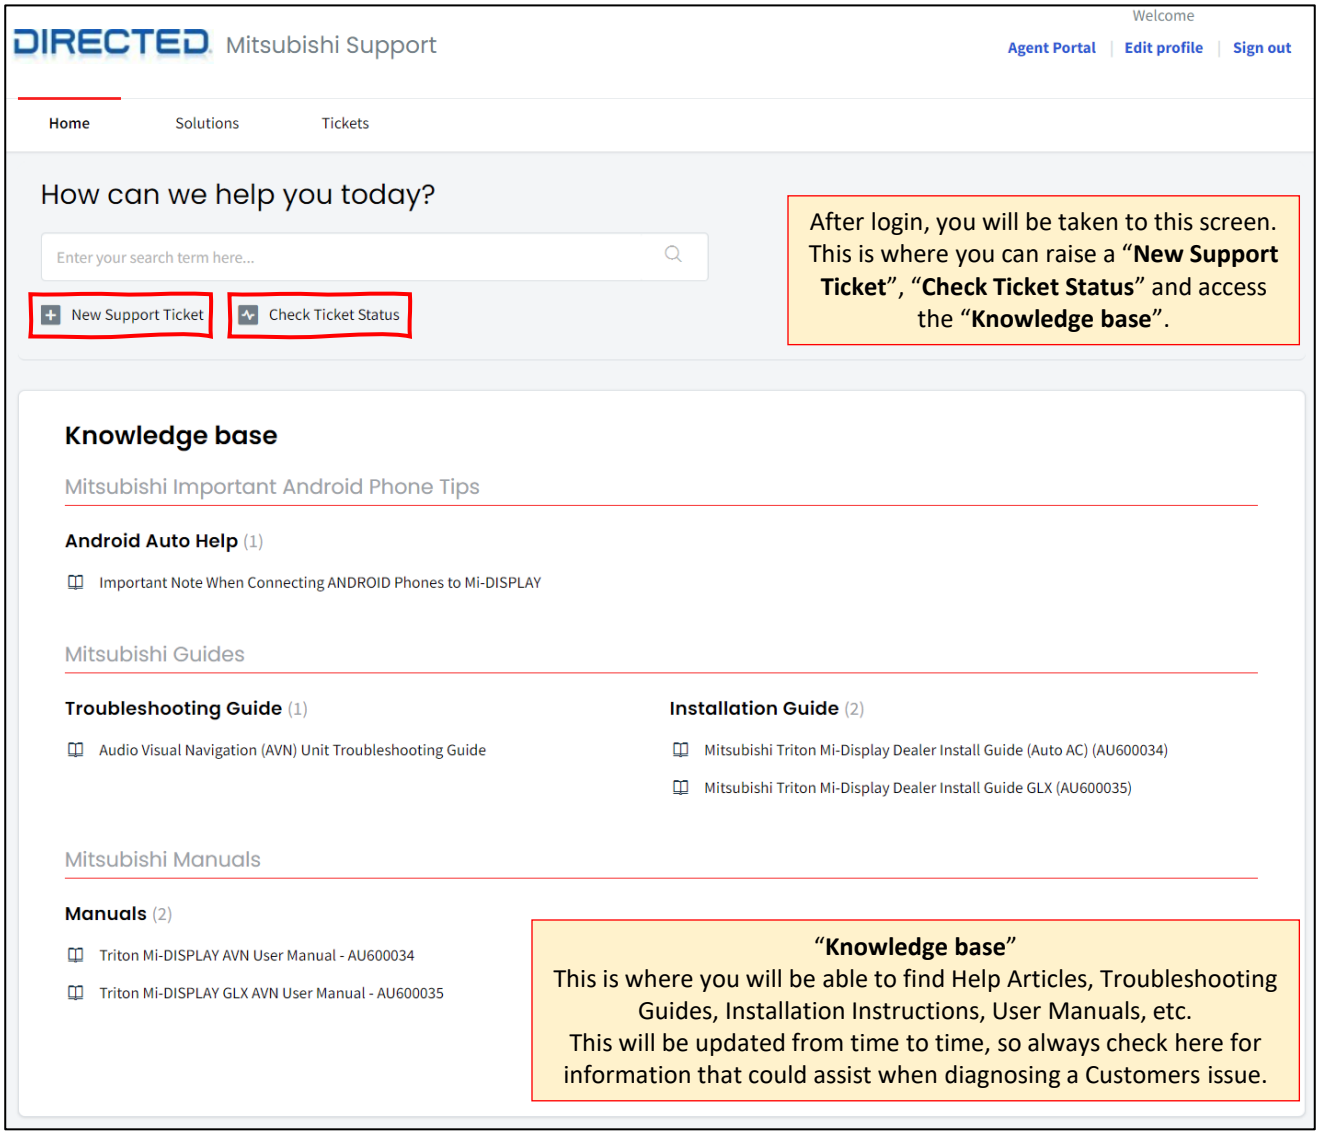

This is the initial Login / Sign up screen. Once registered, please sign in to raise support tickets, view progress of tickets, responding to tickets and access to the "Knowledge base".

First time users to select "**SIGN UP**", then enter your full name, email address and then select "**REGISTER**".
You will receive an activation link via your email address. Click on the link and follow the instructions, such as creating a password. Once activated you will have access to the portal. Please check Junk / Spam emails also if you haven't received the activation email in your normal inbox.

Raising a New Support Ticket *(cont.)*

To assist with issue feedback & fault classification, please select from the preloaded dropdown lists.

- ***Fault Occurs In (Unit)*** *– what product*
- ***Fault Occurs In (Part)*** *– what part or function*
- ***Reported Fault*** *– issue/fault description*

If issue/fault is related to Android Auto or CarPlay, please select from the preloaded dropdown list, which "**Phone Type**" is being used.

As per above, please provide Phone Model and its current Software Version.

Product Serial Number is located on the unit's label. *(Will require removal of center panel assy. to see)*

Select the checkbox to confirm troubleshooting has been carried out by a Service Technician.

Brief summary of issue or fault.

Please provide a detailed summary of issues/faults, including all relevant details, observations, what checks have been carried out & if you have confirmed actual issue as stated by the Customer.

Use the "**+ Attach a file**" selection to add images & videos to help assist with diagnosing the problem. *(Note: individual file size is limited to 20 MB max)*

Once all fields are completed correctly, select "**SUBMIT**" to register the ticket with Directed.
