Subject: MMAL – 22165 Introduction of Getac S410 Dealer Diagnostic Support Laptop – MUT III

Dear Valued Business Partners,

Mitsubishi Motors Australia wish to advise that a new Getac S410 Dealer Diagnostic Support Laptop will be distributed to your Dealership to replace the existing MUT III - F110 Getac tablet, that has reached the end of its 5 year warranty support period. The new S410 laptop will have 5 years maintenance, support and warranty coverage through Bosch Australia. Any existing F110 Getac tablet hardware may remain supported on the Bosch XMS platform for up to 3 years (TBC) at your Dealership's discretion*.

The new Getac S410 Hardware will be supplied with a lockable docking station for additional I/O interfacing and security. The docking station may be used in conjunction with any existing MDC cabinet (retrofit) or cabinet/trolley of your Dealership's choice.

Charges for the new laptop hardware will be in the form of a one-off payment* as itemised below:

Description	Cost
S410 Getac semi-rugged Laptop, Intel Core i7 1165G7 processor, Dual battery option (74.5Wh x 2), 5 year warranty coverage, Gamber Johnson rugged docking station to suit S410 laptop.	$6,210.76
Shipping and handling	$50.00

Any Dealers requiring alternative payment options are asked to contact MMAL via techsupport@mmal.com.au or your PDSM.

MMAL advise that any Dealers wanting additional S410 Laptops, VCI's, cabling, etc are able to purchase these directly from the MMAL SST iPaper via Bosch Australia - https://product-catalog.boschaftermarket.com.au/mitsubishi/tools/ *.

Delivery for the initial S410 laptops to your Dealership is expected late September 2022. Further details on distribution and support for this hardware will be advised at a later date.
