Warranty Audit Bulletin

WAB 2013 002 Subject: Workshop Allowance

✓Dealer Principal ✓Service Manager ✓Warranty Clerk

The audit team have detected an increase of non-compliance to the Workshop allowance (WA) being claimed contrary to policy from the Warranty Procedure Manual (WPM) 01/01/2013,
refer to Appendix A4-C

5.1.10. Workshop Allowance (Work Code WA)
As the published LOT does not include the time required for workshop allowance (i.e. Repair Order collection, vehicle in/vehicle out etc.), Dealers may claim a once per visit Workshop Allowance time (work code WA).
This time cannot be claimed if one of the following is applicable:
- Other work such as retail or dealership internal work repairs is also included on the Repair Order,
- Repair Orders include a Campaign (Recall or Service) repair,
- When actual time is claimed (work code 99)
- When diagnosis time is claimed
- The entire repair is completed by a third party repairer

The MMAL audit team will continue to enforce this policy so please ensure all staff involved in warranty claims are familiar with the policy and its requirements.

Regards,

Chris Read MIAME
