CPS Eligible Vehicles

It has come to our attention that a small number of vehicles with CPS still available have been included in the campaign EDM.
If you are contacted by a customer in this category, please take the following action.
1. Discount the CPS customer charge by the amount in the Claimed Amount column under the heading "**With CPS**"
   e.g. CJ Lancer claim amount = 45.80 therefore customer discount = $45.80
2. Submit the CPS claim in the normal manner.
3. Submit a ZC07 claim for the CPS customer discount as described in this bulletin

PLEASE NOTE;- Due to the time frame in which the new claim type (ZC07) was developed, there are limited validations on the claim entry so it is VERY IMPORTANT that you check that you have entered the information as described in this bulletin.
It is the dealer's responsibility to submit a true and correct claim, as claims are subject to audit. If your claim results in overpayment due to Dealer error this amount will be reversed or charged back.
