Re: Entering scheduled service claims through the "click and add system"

ATT: SERVICE MANAGER/WARRANTY CLERK

To contact Warranty Payments:

Telephone Warranty Hot Line: (08) 8275 6709

Fax: (08) 8275 7745

eMail: mmal_warranty_admin@mmal.com.au

Dealers who use the "Click and Add System" will be aware that entering Auxiliary Codes in association with Scheduled Services will cause the claim to be placed in "RFC" status.

This is a problem with the "Click and Add System", not the input of the claim. MMAL Information Systems Dept are investigating this problem, however, a fix may be some time away.

As an interim measure dealers are asked to contact Warranty Payments, and advise the Warranty Payment Clerks when inputting a claim through the "Click and Add System". We will then correct the claim on the following day.
