WARRANTY CONDITIONS FOR SPECIAL MITSUBISHI VEHICLES.
In line with General Letters GL-02-004 and GL-002-009 Dealers attention is drawn to the special conditions that apply to some Mitsubishi vehicles.

Particular attention is drawn to the use of Specialist Dealers for warranty repairs to Ralliart Evolution VI. Dealers who have not been appointed as Specialist Mitsubishi Dealers by Ralliart will have claims on Evolution VI vehicles disapproved. Similarly, claims by any Dealer for Lancer Cabriolet on modified sections of the vehicle will be disapproved.

Warranty Claim Procedures on these vehicles are detailed on the General Letters listed above.

DOCUMENTATION PROCEDURE FOR PARTS RETURN FROM NSW/ACT.
Dealers in NSW and ACT are reminded that "Transmittal Notes" should not be displayed on the outside of cartons. Only the "Consignment Note" should be displayed on the outside of cartons containing parts being returned to Store 17. Transmittal Notes should be enclosed in the carton.

CLAIMS INCLUDING HIGH VALUE PARTS
Some Dealers have experienced delays in approval of claims involving high value parts items. High value parts items are identified as those listed as POA (Price On Application).

To improve First Time success of these type of claims, Dealers should fax a copy of the Part Invoice to Warranty Payments including their Dealer Code, Repair Order Number, and Repair Date.
