WARRANTY INFORMATION BULLETIN

WIB 2003-04

1/10/2003

ATT: SERVICE MANAGER/WARRANTY ADMINISTRATORS

To contact Warranty Payments Administration:
Telephone Warranty Hot Line: (08) 8275 2367
Fax: (08) 8275 2496
e-mail: mmal_warranty_admin@mmal.com.au
Address: Level 2A, Mark Oliphant Building
Laffer Drive, Bedford Park
South Australia 5042

WARRANTY INFORMATION SYSTEM (WIS 2)

Please find a copy of WIS Version 2 enclosed with this week's mail-out. WIS 2 includes many enhancements that have been requested by warranty administration staff at the dealerships and should prove easier to use. Also included are times for Outlander & KL/TL Magna.
CH Lancer will be included with the release due in January 04 but Warranty Administrators can use CG times for both CG and CH in the interim.

RESUBMISSION OF MULTI-PART CLAIMS

When resubmitting multi-part claims Warranty Administrators need to be aware that ALL parts of the claim need to be resubmitted not just the part that is being updated. Failure to follow this procedure will see the remaining parts of the claim disappear as the MMAL system replaces ALL claims with that claim (RO) number with what is resubmitted.

MELCO RADIO WARRANTY REPAIRS

Dealers need to be aware that MELCO only provide 12 months warranty on their products while MMAL provide warranty in accordance with the warranty index. This means that MELCO will require payment from the dealer for vehicles more than 12 months old for MELCO sound system repairs that are returned to them for repair. Dealers should then claim the invoiced amount (minus GST) back as a SUBLET.

MIRAGE AIR CONDITIONING FITMENT MORATORIUM

In May 2003, we announced that we would grant a moratorium on the late submission of claims on Mirage Air Conditioners (refer WIB 2003-01). The moratorium for these claims will end on 31 October 2003. Claims submitted after that time will be subject to the normal 30-day submission rules.
