WARRANTY INFORMATION BULLETIN

WIB 2004-02 12/02/2004

ATT: SERVICE MANAGER/WARRANTY ADMINISTRATORS

1. Parts Disposition Lists for 3 Jan 04.

Unfortunately the run of Disposition Lists for 3 January 2004 is proving to be a little more difficult than first thought. Dealers are requested at this stage to continue to hold parts from this run until a solution for the system problem is found. We are hopeful this will occur before the next payment run.

2. Parts return via TNT Transport.

Included in this weeks mail out you will find a small bundle of TNT Cartnote's. These cartnote's are being issued as an interim measure until all the details of the parts return system can be examined and a final process agreed. Dealers are requested to use these cartnote's for ALL warranty returns including special returns requested by Technical Support personnel. Cartnotes will continue to be issued with each payment run.
