WARRANTY INFORMATION BULLETIN

WIB 2004-06 2/12/2004

ATT: SERVICE MANAGER/WARRANTY ADMINISTRATORS

New Members in the Warranty Team

I would like to take this opportunity to introduce you to **Nathan Koch** and **Sam Portelli**, 2 new members to the warranty team. Nathan joins us from engineering where he was a member within the powertrain group of MRDAus. Sam comes to warranty originally from the Service Centre and more recently from Supply / Purchasing. Nathan's role will be as a Warranty Analyst and Sam will join Anthony as Warranty Payments Analyst. Please make Nathan and Sam welcome and assist them with your patience, as they become familiar with their new roles.

Parts Return

1. Recall parts return - 010021

Please be aware that the disposition lists for claims with parts to be returned on the Magna/Verada fuel pipe corrosion inspection, (Recall 010021) currently advises to destroy these parts. This is incorrect, and we request that dealers return these parts to MMAL through the normal warranty channels. Future disposition lists will be updated to advise the return of these parts.

2. Packaging returned parts

We are receiving a number of returned parts through the warranty parts return that are packaged in different size and shaped boxes which is resulting in damaged parts. We request that you return these failed parts in the box of the replacement part in order not to damage them whilst in transit. If this is not possible, then ensure that the box that is used is suitable for transporting the returned part without damaging the part.

Warranty Department Closure over Christmas

Please note that the Warranty Administration Department will be closed from 23/12/04 and reopened again on 4/01/05. During the closedown period the warranty hotline will be unavailable. E-mails will be answered when the office reopens on the 4th January 2005. Your patience during this period will be greatly appreciated. Electronic Warranty Submissions will continue as normal during this period.

May we take this opportunity of wishing everyone at the Dealerships a very happy and safe Christmas and prosperous New Year.
