National Service Skills Competition 2005

The National Service Skills competition will be held in Adelaide at the Mitsubishi plant on Friday August 19th 2005. Due to the number of personnel required to assist running this event the Warranty department will be closed on this day. Therefore, the Warranty hotline will be unavailable from close of business Thursday 18th August 2005 and will recommence again on Monday 21st August at 8.15am Adelaide time. The Warranty email account will be available through this period, but responses to queries will not be answered until Monday August 21st 2005.

Our apologies for any inconvenience that this may cause.

Commonwealth Bank Fleet vehicles

If Dealers are presented with a vehicle that is part of the Commonwealth Bank fleet and the warranty index applied to the vehicle reflects 3 years / 100,000 kilometre warranty, then this is incorrect. MMAL are aware that some of these vehicles have the wrong warranty index applied to them and are currently addressing the problem. The correct index for these vehicles should be L60002 (5 years / 160,000 kilometre warranty).

Warranty email enquiries.

When dealers send an email enquiry to the Warranty email account, to assist in the response time, please supply the dealer code of the dealership from which the claim is for. Please also supply claim details and a clear request of what is required.
