Contacting the Warranty Department.

When contacting the Warranty Department the preferred method is via the warranty e-mail account. The warranty e-mail account address is listed at the bottom of this Warranty Information Bulletin. Another method is the warranty Hotline, the Hotline should be used as a last resort not as a first port of call. Where possible please try to keep to one call per-day. If you are having difficulty contacting the Warranty Payment's Hotline then perhaps e-mail should be sent.
