RE ISSUE OF WARRANTY INFORMATION BULLITEN WIB-2005-14 Procedure for claiming Warranty Repairs on Mitsubishi 380

As per the General Letter GL-05-036 when claiming for warranty repairs a Dealer Quality Report (DQR) number **OR** TAC case number **MUST** be recorded in the comments section of all warranty claims relating to the Mitsubishi 380. Failure to do this may result in delays to claim payment. This DQR number or TAC case number **MUST** be on the first line in the comment's section of the Warranty Claim.

Exceptions

The exception to the rule is paint quality and arrival damage repairs. Please refer to General Letter GL-05-036 for procedures for these claims.

Paint and Transit Damage repairs on 380 General Letter GL-05-035 (revised 13/10/2005)

An extract of General Letter GL-05-035 appears below for your convenience. Please check the Extranet for possible revisions.

Please be advised that effective immediately and until January 31st 2006, prior work authorisation is required for **all** paint and transit damage repairs on 380.

SCA requests must be submitted via the SCA system on the Dealer Extranet (refer General Letter GL-05-027) and must be accompanied by at least 2 digital photographs; one wide angle that shows the general location of the defect/damage and one close up that shows the defect/damage in detail. Photos should be identified by a file name that includes your Dealer code and a RO number. eg. S123 – A12345-1

When completing the SCA form, please ensure that you tick the "Tech Assist SCA Request "box", enter **380** in the "TAC Case Number" field and **Paint** in the "TAC Agent" field.

Please note that in cases where a repair is to be conducted, it is necessary to report the concern either to the TAC or by dealer Quality Report (DQR) while this policy is in effect.
