Holding of Failed Parts for 380 and Grandis.

Currently the disposition lists advise dealers to destroy all failed parts associated with 380 and Grandis. Due to a systems error we are currently unable to amend this instruction, so until the error is corrected, MMAL request dealers to ignore the 'DESTROY' instruction for claims on these vehicles and hold on to these parts for 90 days before destroying them.

When the error has been corrected, MMAL will advise dealers via a WIB of the action required.
