Warranty Claim Procedures – Manufacturers Extended Warranties

This Warranty Information Bulletin is in support of General Letter GL-06-018.

Previously, if a vehicle had a warranty repair performed and the vehicle had extended warranty through Swann Insurance, and was outside of the MMAL warranty period, the dealer had to contact Swann Insurance to get authorisation to proceed with the repair and then submit a warranty claim via Swann Insurance. Effective from the 14th June 2006, this is no longer required and a warranty claim can be submitted to MMAL in the same way an 'in warranty' claim would be submitted.

If the vehicle is still within the MMAL warranty period then normal SCA requirements apply. If the vehicle is outside the MMAL warranty period and in the Swann Insurance warranty period then an authorisation from the dealer's ASM is required for repairs that exceed $1250.00.

As an administrative issue the Warranty department will create new warranty indexes to cover all possible Swann Insurance extended warranty situations. As a temporary measure, one index will apply providing an extra 2 years warranty to the standard warranty period. All vehicles that have additional warranty to this and are in excess of the 2 year period and/or in excess of the kilometre limit (nil) at the time of repair, will require an authorisation from the Warranty department (see table below).

ADDITIONAL WARRANTY		SCA REQUIRED UNDER $1250			SCA REQUIRED OVER $1250		
TIME (MTHS)	KM	WARRANTY		ASM	WARRANTY		ASM
0-24	< 0	N		N	N		Y
0-24	> 0	Y		N	N		Y
24-36	< 0	Y		N	N		Y
24-36	> 0	Y		N	N		Y
IN EXCESS 36	< 0	Y		N	N		Y
IN EXCESS 36	> 0	Y		N	N		Y

If a dealer is uncertain of the level of extended warranty provided to the vehicle being repaired, then the dealer should contact the warranty hotline on (08) 8275 2367 **PRIOR** to commencing the repairs to confirm the limit of extended warranty.

To obtain an authority for a warranty claim on a vehicle that is in one of the above categories, dealers need to contact their ASM as normal if required or contact the MMAL Warranty department if required. To contact the Warranty department, send an email to the warranty
