Warranty Part Return Requests from the Disposition List

The Warranty department has seen a few instances of late where the parts requested for return on the disposition lists have been sent direct to individuals in the warranty department, mailed to the warranty department or incorrectly addressed to the warranty department.

Dealers in the Queensland, South Australia, Western Australia and Victoria Rural regions:
Dealers in the above regions will have the pre-printed warranty consignment notes mailed to them with the disposition list. Victorian rural dealers will have the South Australian consignment notes sent with the disposition list. Only the failed warranty parts marked for return on the disposition list should be returned using these consignment notes.

Dealers in NSW and Victoria Metro regions:
Dealers in NSW and Victoria metropolitan regions do not have the pre-printed warranty consignment notes mailed out to them.
Dealers in NSW region are required to contact the Sydney Parts Distribution Centre (SPDC) and request a consignment note to be sent to them for warranty part returns. THESE INSTRUCTIONS ARE NO LONGER VALID AS OF 12/12/06. FROM 12/12/06 NSW DEALERS ARE TO REFER TO WIB-2006-15.
Until 1/11/06, dealers in Victoria metropolitan region are required to contact the carrier, (TNT 13 11 50) and have a driver bring a consignment note with them. When addressing the consignment note please ensure that it is addressed as follows:

SENDER: Dealership address details.

Mitsubishi Motors Australia Limited
1284 South Road
Clovelly Park SA 5041
SERVICE: Road Express.

After 1/11/06, the Victorian metropolitan dealers with access to the TNT daily delivery service can return the failed warranty parts marked for return on the disposition lists, via TNT Logistics using this daily delivery service. To collect parts using this process, TNT require the dealers to contact the Melbourne branch 24 hours prior to the required pick up. TNT will then make the arrangements to pick up the warranty parts. Dealers that do not have access to this facility will have a consignment note mailed to them by the warranty department with the disposition list.

The TNT contact persons and numbers for the Melbourne branch are as follows:

ALL DEALERS PLEASE NOTE:

- Do not **mail** the parts marked for return to the MMAL warranty department.
- **Always** use a consignment note to return parts.
- Do not mark the consignment note to the attention of any of the warranty staff.
- Ensure that the parts are clean and packaged in an appropriate sized container to prevent damage. (As detailed in WIB-2005-08 dated 31/5/2005)

This process is applicable to parts marked for return on the warranty disposition list mailed out each fortnight after a payment run. Unless instructed otherwise by a staff member of the warranty department or the service department for a separate return (eg a vendor or service staff requiring some sample parts for analysis), then the parts should be returned using the appropriate procedure outlined above.

Please ensure that the process applicable to your region is followed correctly to ensure the prompt return of parts to the warranty store and to eliminate the double handling of parts. Failure to adhere to the parts return procedure may result in the reversal of the applicable warranty claim.
