Service Campaign 020073 – Offer of a 'Tom Tom One' Portable GPS

Please be advised that service technicians are not required to be clocked on to the repair order in order to perform this service campaign.

As this is a supply of a portable navigation unit, the service campaign can be performed by the dealership without having a service technician clocked on to the job.

In the event of a dealer audit, this procedure will be accepted by the MMAL dealer audit staff.
