Issue of Consignment Notes to Dealers in the NSW Region

This bulletin supersedes bulletin WIB-2006-11 for dealers in the NSW region for acquiring consignment notes only. All other parts of that bulletin are still relevant.

Dealers in the NSW region that DO NOT have a daily pick up and drop off of parts from TNT through the Sydney Parts Distribution Centre (SPDC) will be issued with a pre-printed consignment note with the issuing of the fortnightly disposition list. If the disposition list advises to 'Return To MMAL', then a pre-printed consignment note will be mailed out.

The dealers that are serviced daily by the TNT consolidated run from the SPDC, can return their warranty parts as advised by the fortnightly disposition list, using this service. No consignment note is necessary when returning parts via this system.

Please ensure that all parts returned to MMAL are clearly labelled with the return address on the outside of the box to assist prompt and accurate return to the desired destination (refer to WIB-2006-19 for details).
