Addressing Warranty Part Returns

Effective immediately, dealers are requested to CLEARLY address each container/box that is returned to MMAL through the warranty part return system (ie part returns as advised by the fortnightly disposition list).

To assist with the prompt and accurate return of warranty parts to the MMAL warranty store, the warranty department request that all dealers address each container/box returned with the following address:

WARRANTY STORE 17
C/- TNT LOGISTICS
WINGFIELD SOUTH AUSTRALIA

This address is in addition to any consignment note affixed to the container/box for return to the MMAL warranty store. Please see attached at the bottom of this bulletin, a template that can be printed and then stuck on to the container/box.

In addition to these instructions, please adhere to the part return instructions outlined in the earlier bulletin WIB-2006-11. (Dealers in the NSW region are required to refer to bulletin WIB-2006-15 for current return instructions but must still adhere to the other instructions outlined in WIB-2006-11).
