Warranty Information Systems (WIS) Disk – Version 9.0

Enclosed is the new version of the Warranty Information Systems (WIS) Disk.

Please install the disk on to your computer as soon as possible to avoid the version 8.0 disk timing out.

Changes to this Version

There are a few changes to the version 9.0 disk and these changes are outlined below.

- Additional icons appear on the disk for ML Triton, NS Pajero, ZG Outlander and RZ Colt Cabriolet. One is for use up to the end of July 2007 and the other is for use from the beginning of August 2007.

These icons are identified as follows:
~2007-07-31 – This icon can be used up to the end of July 2007.
2007-08-01~ – This icon can be used from 1st August 2007.

- New times have been added to models ML Triton, NS Pajero, ZG Outlander and RZ Colt Cabriolet.

- Some corrections have been made to other times.

Please note that the new times for the above models are effective from 1st August 2007 and the effective date refers to the **vehicle repair date**.
