Re-issue of Old Repair Order Numbers

In December 2004, MMAL introduced the 5/10 warranty which gives original owners up to 10 years warranty (or 160,000km – whichever comes first) on the powertrain of their vehicle.

Because of this warranty extension, MMAL warranty now require dealers to not use the same repair order number for a period of 15 years. The reason for this is so repair order numbers are not duplicated during the full warranty life of a vehicle.

Please ensure that this procedure is adhered to, to avoid complications in the future.
