WARRANTY INFORMATION BULLETIN

Re-print of previous Warranty Bulletin WIB-1999-011 issued to Dealers on 24/11/1999

No Customer Complaint

It is apparent that on occasions faults may be found with a vehicle without a customer complaint having been made.

For repairs from 15th November 1999 where a vehicle has a warrantable repair which has not yet come to the owner's notice and will clearly result in a customer complaint, it is now accepted as reasonable for the repair to be undertaken. In such cases, a Customer Complaint Code of "NC" is to be used.

Any warranty claims lodged without a signed customer complaint on the repair order must now use this code. Failure to do so may result in the reversal of the claim without appeal.
