Warranty Information Disk – October 2007 Version

A new version of the Warranty Information System (WIS) disk has been mailed to all dealers direct from Infomedia. This is the first of the monthly issues of the WIS disk. Each month a new disk will be mailed to dealers and updates to the data on the disk will occur gradually.

On receipt of the new disk, please install it on to your computer as soon as possible to avoid the previous version timing out.

Ian K. Matthews
Manager, Warranty
Aftersales, Sales & Marketing
