6 Year Warranty for 380 Customers

This Warranty Bulletin is to advise dealers those modifications to the MMAL warranty system to allow claims for the 6 year warranty for 380 customers have now been implemented.

Previous correspondence in Warranty Bulletin 2008-03 advised that MMAL Warranty was investigating the details of this warranty index. The conditions have now been finalised and new warranty indexes have been created.

The warranty indexes for 6 year warranty will be identified by the following:
L72120
L7S12L
L7S123
L7S125
L7S127

The details of each of these indexes can be seen by pressing the F8 key from the vehicle enquiry screen in the MMAL warranty system.
