Mitsubishi Warranty Hotline

This bulletin should be used in conjunction with warranty bulletin WIB-2006-06.

This warranty bulletin is to remind dealers about the warranty hotline and what it is to be used for. Recently it has been noticed that some dealers are ringing the warranty hotline to find out information on many things other than warranty related questions.

The warranty hotline is only to be used for warranty related questions. All other questions should be directed to the appropriate departments or the dealer assistance centre. The dealer assistance centre phone number is 1300 1300 99.
