WARRANTY INFORMATION BULLETIN

WIB 2009-04 24/04/2009

This Bulletin forms part of the Warranty Procedure Manual.

ATT: SERVICE MANAGER/WARRANTY ADMINISTRATORS

Warranty Information System (WIS)

This bulletin is to remind dealers of the contact points for problems experienced when using WIS. One of the topics covered in Warranty bulletin WIB-2006-05 advises dealers who they need to contact when experiencing problems with WIS and it also has a Frequently Asked Questions (FAQ's) attachment.

If a problem or problems are experienced by dealers with the WIS application, then dealers must investigate the source of the problem(s) before contacting the appropriate area for assistance. When investigating the source of the problem, dealers should read the FAQ's and contact their I.T. person for assistance with identifying the source of the problem. If it is a file transfer problem, the dealership I.T. person should check all settings, connections and the firewall before contacting the applicable person (as shown below). If MMAL is experiencing file transfer problems at their end, then a broadcast email will be sent to all dealers to advise of the fault. It is therefore imperative that dealerships keep their email contact details in Deacon up to date to ensure that they receive the broadcast emails. The contact points and contact phone numbers for WIS issues are shown below.

If it is a file transfer (FTP) problem– contact MMAL Help Desk on (08) 8275 7081
If it is an installation or operation problem – contact Infomedia on 1800 810 103
If there is a problem with WIS data – contact MMAL Warranty on (08) 8275 2367

Please ensure that the appropriate contact point is notified of the fault to avoid delays in providing assistance and making changes.

Ian K. Matthews
Manager, Warranty
Aftersales, Sales & Marketing

To contact Warranty Payments Administration:
Telephone Warranty Hot Line: (08) 8275 2367
Fax: (08) 8275 2496
e-mail: mmal_warranty_admin@mmal.com.au
Address: 1284 South Road Clovelly Park SA 5042
PO Box 8 Melrose Park SA 5039
