REPAIRED as the Causal Part - RENTACAR

This bulletin is to be used in conjunction with WIB-2009-01 (REPAIRED as the Causal Part)

Further to WIB-2009-01, claims submitted for rental vehicles must adhere to the following procedure as well as the procedure for claiming rental vehicles outlined in WIB-2005-07.

The WIB-2005-07 advises to use NFP in the parts section as well as the causal part. This has now been replaced with REPAIRED as the causal part and the part number in the parts section. As a result of this and as per WIB-2009-01, the format of the remarks section must be REPAIRED<space> CAUSAL PART NUMBER on the first line of the remarks section. The CAUSAL PART NUMBER must be the causal part number identified in the associated claim that resulted in a rental vehicle being required. Additional remarks can be added to support the claim, but these must begin on the second line of the remarks section.

Failure to adhere to the above requirements may result in a claim not being paid, or reversed at a later date. The claim must also meet audit requirements and could be reversed at audit if this procedure is not followed.
