Warranty Procedure Manual 2010

Revision to 2002 Manual

love that car

Philosophy

- To provide the Dealer body with a manual that represents the current situation.
- To standardise the Warranty Procedure manual with other MMC subsidiaries
- To provide the Dealer body with a set of tools that can assist in maintaining MMAL Warranty policy

History

- Current manual originally written to match “New System” in 1993.
  - Revised 1995, to include electronic claim submission
  - Revised 1998, to include “Click and Add” web submission
  - Revised 2002, to include use of Warranty Information System (WIS)
  - Revised 2010, complete rewrite to match MME Service and Warranty Procedure manual, revised Service Procedure Manual (2010) and include “Self Audit” process.

Major Changes

- Complete rewrite based on MME manual
- Claim Audit Procedure added including “Self Audit”

Detailed Changes

20 November 2002	October 2010
