Warranty Procedure Manual

This Warranty Bulletin is to inform dealers that the warranty procedure manual has been updated and there are a number of changes that have been made to the document.

The warranty procedure manual is located on the dealer extranet under the tab named 'Additional Dealer Services' and under the heading 'MMAL Franchise Agreement Manuals'. Please be advised that the warranty procedure manual is no longer available on WIS and the dealer extranet is the only place that the manual can be located.

The revised warranty procedure manual will become effective as from the 1st of March 2011, but dealers will be given a 1 month grace period to become familiar with the changes that have been made. Therefore, as from 1st April 2011 the conditions of the manual will be enforced.

Attached to this warranty bulletin is a summary of the major changes that have been made to the warranty procedure manual.

Failure to adhere to the above requirements may result in a claim not being paid or reversed at a later date. The claim must also meet audit requirements and could be reversed at audit if this procedure is not followed.
