WARRANTY INFORMATION BULLETIN

WIB 2011-07 15/11/2011

This Bulletin forms part of the Warranty Procedure Manual.

ATT: SERVICE MANAGER/WARRANTY ADMINISTRATORS

Backing out claims

This Warranty Bulletin is to inform dealers about the change in process with regards to backing out claims.

Effective from the 1st of January 2012, MMAL Warranty will not be able to back out claims for dealers until the introduction of the replacement warranty system. Claims can be backed out from the date of this bulletin until 30th December 2011 inclusive, but from this date, a 'freeze' will be put in place until the replacement warranty system has been introduced. If there is a need to back a claim out after 1st January 2012, then please contact the MMAL Warranty department and the claim details will be recorded but not actioned until the replacement warranty system has been introduced.

During this period, MMAL Warranty ask that extra care is taken to ensure that claims submitted have accurate and correct data to minimise the need to back out a claim. The WIS claim submission process has some pre-validation rules built in for early detection of errors, so those dealers that don't use WIS to submit their claims are encouraged to use this facility. Dealers that use a DMS to submit their warranty claims can submit a file from their DMS to WIS and have those claims pre-validated. Instructions on how to do this can be found in WIS. Click on the Help tab on the tool bar, then click User Manual, and the instructions can be found on page 15 of the manual.
