Cash Sale Claims

Please be advised that the process to claim an over the counter cash sale for parts that have failed in warranty has changed.

Previously, the process to claim this type of transaction was to put the words CASH SALE in the VIN section of the claim. This process is no longer valid.

In the new SAP warranty system it is a requirement to put the VIN of the vehicle from which the part has failed in to the VIN section of the claim. It is also a requirement to enter the odometer reading of the vehicle at the time of part failure.
