Warranty Claim Submission

This Warranty Bulletin is to remind Dealers about the claim submission time of their claims.

In the Warranty Bulletin WIB-2012-02, MMAL Warranty advised that there would be a temporary removal of the Late Submission rule for claim processing to assist Dealers with the transition to SAP. The temporary exemption was limited to April 2012 only, and effective May 1st 2012 claims would be processed in line with the rules published in the Warranty and Service Procedure manuals.

Claims that are not submitted in the time period outlined in the Warranty and Service procedure manuals require an SCA and as per the Warranty and Service procedure manuals, the request for authorisation must be made within 14 days of the claim repair date and prior to submitting the claim.

Failure to adhere to the above requirements may result in a claim not being paid or reversed at a later date. The claim must also meet audit requirements and could be reversed at audit if this procedure is not followed.
