Warranty System Changes

This WIB alerts dealers to some systems changes that have affected dealer's interaction with their warranty claims.

Change 1:

There had been a problem where recently approved claims were disappearing from the "Accepted" claims list in Work Overview. This problem has now been rectified and all claims that are no older than 60 days will be visible on this list.

Note: to access older claims you can search via Work Overview => Claims

To contact Warranty Payments Administration:

Warranty Telephone: (08) 8275 2367

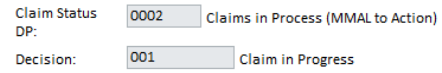

e-mail: warrantyadmin@mmal.com.au
mmal_warranty_admin@mmal.com.au

Address: 1284 South Road Clovelly Park SA 5042
PO Box 8 Melrose Park SA 5039

Change 2:
To add clarity to the system, and to reduce the number of errors that were being made, new status descriptions have been added to the system, they are:

Claims in Process (MMAL to Action)

This status will look like below

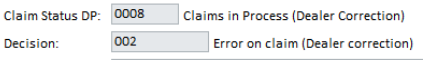

And will also have a primary status of ZPRC per below

When claims are in this status they need to be actioned by **MMAL staff only**. Dealers will not be able to change any details of these claims.
Please wait at least 2 days but preferably 3 or 4 days before querying the status of these claims to allow time for MMAL to manually process them.
Note: Even if there is nothing wrong with the claim as submitted by the dealer, MMAL reserves the right to review any claim before payment, particularly aspects of a claim that a system cannot judge (eg. adequacy of remarks).

Claims in Process (Dealer Correction)

This status will look like below

And will also have a primary status of ZRFC per below

Claims with this status require dealer correction, please check the "Importers Remark" for details of action to take, eg below.
