Warranty Appeal Register

MMAL have now loaded a Warranty Appeal Register to the portal at the following location:

Knowledge=> Service (Data)=> Warranty. The document is called “Warranty Appeal Register”

This document will be updated each Friday with the latest status of the appeals.

The current document details all appeals that MMAL have on hand but have yet to adjudicate or resolve, it does not include those that have been completed prior to today, as appeals are adjudicated and completed this will be updated on the register.

If any dealer has an appeal that is not on the register and they have not been informed that their appeal is resolved, please re-lodge the appeal.
