Warranty Part Return - 1542A117, 1542A117W and 1542A084 - Inlet Manifold (Triton and Pajero)

This Warranty Bulletin is a reminder to the existing warranty bulletin WIB-2011-06. In addition to the part number 1542A117 in bulletin WIB-2011-06, Dealers must also return part numbers 1542A117W and 1542A084 that have failed under warranty to FluidDrive.

It appears that not all of the above failed part numbers are being returned to FluidDrive as they are reporting of low stocks.

Effective immediately, dealers are requested to return all failed inlet manifolds (part number 1542A117, 1542A117W and 1542A084) that are currently held in dealer warranty stores to FluidDrive. All future failures of these parts under warranty must continue to be returned to FluidDrive until instructed otherwise.

The details of how and where these parts are to be returned are as follows:

- Contact TNT on 131150 and request the driver to bring a blank TNT con note. Use the TNT account number 21628821 and write “MWTY” in the “Your Ref No” field. Do not use a pre-printed warranty con note.
- Ensure that the part to be returned is correctly tagged with all vehicle and claim information and the part is packaged appropriately so that it is not damaged in transit (Refer WIB-2005-08).
- Address the part return to:
  FluidDrive Holdings Pty Ltd
  70 Raglan Street
  Preston, Vic 3072

Failure to adhere to the above requirements may result in a claim not being paid or reversed at a later date. The claim must also meet audit requirements and could be reversed at audit if this procedure is not followed.
